

AUTHOR EVENT

Join us via Zoom Wednesday April 3rd, 1:00 to 2:00

Clinical practitioner, author, and educator Daniella Chace presents Home Detox, her guide to an eco-friendly and toxin-free home.

Attendees will learn:

- About toxins that cause disease that are found in every home
- Which toxins affect asthma, migraines, diabetes, heart disease, and cancer
- How to detox the home to prevent diseases and support healing
- Strategies for eliminating toxins in your home
